

## **Arctic Claws**

Claws on cracks  
The landscape fracks  
Amid ice rumble  
Polarbears always stay humble

Claws on snow  
Pointy noses follow  
A promise of easy food  
Sly fox mood

Claws on seal fat  
Life's combat  
Snow and ice blush  
Claws as brush

Claw of a mother  
Bear cubs protector  
Cubs fluffy as snowflakes  
Do they know the stakes?

Claws on thin ice  
Humans' vice  
No summer ice floes  
Will mean empty claws
