

**Sevastopol Branch of M.V. Lomonosov Moscow State University  
Faculty of Geology of M.V. Lomonosov Moscow State University**

**The 2<sup>d</sup> INTERNATIONAL YOUTH  
SCIENTIFIC AND PRACTICAL CONFERENCE  
«INNOVATIONS IN GEOLOGY,  
GEOPHYSICS AND GEOGRAPHY-2017»**

**07–09 July 2017**

**Sevastopol, Branch of M.V. Lomonosov Moscow State University**

**First Circular**

## Dear colleagues,

Innovative technologies in geology, geophysics and geography are of great importance due to their close connections with various applied problems and tasks such as search for mineral deposits and their exploration, evaluation of engineering-geological conditions and environments, including forecasting of catastrophic geological processes and phenomena. Most of innovative approaches originate at the interfaces between different fields of the knowledge, through its integration and exchange, the generalization of the already developed and new ideas including those of young scientists, particularly.

With this in view, the Sevastopol Branch of M.V. Lomonosov Moscow State University, Russia will arrange an International Youth Conference entitled “Innovation in Geology, Geophysics and Geography-2017” in Sevastopol on 07 to 9 July, 2017.

**Students, undergraduates, PhD students and early career students are welcome to participate in the Conference.**

### **PRELIMINARY PROGRAMME OF THE CONFERENCE:**

**July, 2–6, 2017 – Pre-Conference Training Field Sessions “Petroleum potential of the Crimea: multidisciplinary researches”**

**July, 7, 2017 – OPENING CEREMONY, PLENARY SESSION;**

**July, 8–9, 2017 – ORAL PRESENTATIONS AND ROUND TABLES**

Sessions will be organized focusing on the following main topics:

- Geodynamics, tectonics and structural geology;
- Geomorphology and neotectonics;
- Stratigraphy, Sedimentology, Paleontology and Paleoclimatology;
- Evolution of Sedimentary basins;
- Geology and Hydrocarbon Exploration;
- Petroleum system modeling;
- Reservoir rock formation and its properties;
- Fracturing in rocks; modern methods of studying, processing and analysis of data;
- Innovation technologies for the engineering-geophysical surveys;
- Geophysical researching;
- Mineral and ore deposits;
- Geochemistry, Mineralogy, Petrology and Volcanology;
- Physical geochemistry of hydrothermal processes;
- Surficial Processes and Landscape Evolution;
- Environmental Geosciences;
- Geoscience Data and Information systems;
- Arctic and permafrost

**July, 10–14, 2017 – Post-Conference Training Field Sessions “Coastal areas: monitoring and innovation integrated studies”**

The technical sessions will be held in Sevastopol (Sevastopol Branch of M.V. Lomonosov Moscow State University) on **02–14 July 2017**.

### **CONFERENCE LANGUAGE**

**English** will be the official language of the meeting and no translation facilities will be available. All abstracts, posters, and presentations have to be submitted **only in English**.

## IMPORTANT DATES

<b>15 February 2017</b>	Early Registration Fee and Support application deadline
<b>20 February 2017</b>	Personal data submission
<b>01 March 2017</b>	Deadline for visa invitation requests and Fieldtrip registration
<b>01 April 2017</b>	Deadline for Abstract submission, Normal Registration and Training Field Session Fee
<b>01 June 2017</b>	Letter of Schedule and Conference Programme
<b>15 June 2017</b>	Late Registration Fee deadline
<b>July, 2–6, 2017</b>	Pre-Conference Training Field Sessions “Petroleum potential of the Crimea: integrated studies”
<b>07–09 July 2017</b>	The 2d International Youth Scientific and Practical Conference “Innovations in Geology, Geophysics and Geography-2017”
<b>July, 10–14, 2017</b>	Post-Conference Training Field Sessions “Coastal areas: monitoring and innovation complex research”

## REGISTRATION AND ABSTRACT SUBMISSION

Registration will be available via the Conference website <http://inno-earthscience.com> from **15 November 2016**.

All personal data and abstracts have to be submitted in English. Abstracts should be send using form from the website. Deadline for personal data submission is **20 February 2017**.

We plan to publish the abstracts on CD by assigning numbers ISBN. The volume of the abstract – not less than 2500 characters with spaces and not more than 7500 characters with spaces.

## REGISTRATION FEES

	<b>Early registration</b> <i>before February 15, 2017</i>	<b>Normal registration</b> <i>before April 01, 2017</i>	<b>Late registration</b> <i>before June 15, 2017</i>
<b>Regular Participant</b>	<b>100 €</b>	<b>150 €</b>	<b>200 €</b>
<b>Student Participant</b> <i>(up to PhD level)</i>	<b>50 €</b>	<b>100 €</b>	<b>150 €</b>
<b>Accompanying Person</b>	<b>50 €</b>	<b>100 €</b>	<b>150 €</b>
<i>Before April 01, 2017</i>			
Pre-Conference Training Field Sessions “ <b>Petroleum potential of the Crimea: multidisciplinary researches</b> ”			<b>350 €</b>
Post-Conference Training Field Sessions “ <b>Coastal areas: monitoring and innovation integrated studies</b> ”			<b>500 €</b>

## FINANCIAL SUPPORT

Currently, the Organizing Committee runs the follow financial support schemes:

Young Scientists can apply for the Financial Support Grant includes free registration. Young Scientist, wishes to apply for financial support, must be the contact author, as well as the first and presenting author of their contribution, and they must submit an abstract by 15 February 2017. The Organizing Committee will decide about awarding support to individual contributions by **28 February 2017**. All applicants will be informed after the decision.

**Support grants are non-transferable.**
