## THIS MONTH'S FEATURES

### [Memorandum of Understanding between APECS and PEI](#)

On May 23rd 2013, a memorandum of understanding (MoU) between the Association of Polar Early Career Scientists (APECS) and Polar Educators International (PEI) was signed by APECS Director Alexey Pavlov and the PEI Executive Committee Member Sarah Bartholow and will stand through December of 2015. The MoU is based on the mutual interest of APECS and PEI in engaging, supporting and promoting polar science education, outreach...

### [APECS Directorate funding renewed until the end of 2016!](#)

APECS is excited to announce that the funding for our APECS International Directorate in Tromsø has been renewed till the end of 2016! This was made possible through generous contributions by the University of Tromsø, the Norwegian Polar Institute as well as a successful application for partial support to the Research Council of Norway! The University of Tromsø is

## FROM THE PRESIDENT

### [Dear fantastic APECS members,](#)

June was a great month for our APECS members. A lot of our young polar adventurers have left for the field and some will be returning this month! Here in Tromsø we had an unprecedented warm June and there's no chance this great weather is going to let up anytime...

### [UKPN Software and Polar Science Workshop - 17th Sept 2013](#)

We are pleased to announce the call for participation in the UKPN 'Software and Polar Science Workshop'. If you are a Polar Scientist who at any point during your research will use computer software, then this workshop will be great for you! The one day event will run on the 17th September 2013 at the Scott Polar Research Institu...

### [Four early career representatives join scientific committees of the Arctic...](#)

We are happy to announce that four early career representatives are joining four scientific committees of the Arctic Frontiers Conference 2014 with a theme 'Humans in the Arctic'. They will help scientific committees to plan and shape a program for the science section. Early career representatives are: Health, Society and ...

### [APECS Directorate at the Faculty Biosciences, Fisheries and Economics of the...](#)

As many of you know, we have recently received funding for the APECS Directorate in Tromsø for the next 3,5 years. The University of Tromsø will continue to host the APECS International Directorate Office. However, starting from this summer it will become officially attached to the Faculty of Biosciences, Fisheries and Economics (BFE Faculty). Before, APECS Directorate was formally a part of the University's administration. BFE is one of the six faculties of the University of Tromsø, and is one of the most active with regards to A...
